**SKILLS**

Data Entry

High Attention to detail and accuracy.

Research Capable

Critical Thinking

Excel | Google Sheets (Pivot Tables, Charts, Slicers, Formulas)

Airtable

Trello

123 - 125 IQ.

50 - 60 WPM 100% Accuracy

English: C1 (Advanced)

**AWARDS****Employee of the Month 2013 -****Ripe Concepts Cebu**

**Philippines** - pictures will be available upon request.

## **RCG IT Philippines, Makati Philippines — Angular Developer**

MARCH 2019 - MARCH 2020

Walt Disney Parks & Resorts Online (WDPRO) 08/19 to 03/20 Hybrid Cart Development The project supports the cart of five brands: DisneyWorld, DisneyLand, Disney Aulani, Disney Vero Beach and Hilton Head. Using a single code base, it is a configurable project, depending on the brand. Scope of work includes modeling the data returned by the API, processing it for UI consumption (Angular). The project aims to achieve the following: Mobile Responsiveness and a structured UI development approach compared to the spaghetti mix of HTML, CSS and JavaScript.

RCG Global Services 05/19 to 07/19 PEP (Performance Enhancement Program) Tracker Angular Developer - Project Description / Objective: RCG Project

Management and Employee Performance Tracking Tasks / Accomplishments: Fixed various bugs left by the development team. Figured out why the project cannot store data beyond sprint 6 or sprint 8. Justified and proposed a solution to re-structure the existing approach in storing project sprint data.
