Profile

I am an experienced administrator with a solid background in both corporate and government roles. I graduated with a 2:1 degree in Business Studies in 2020 as a mature student and mother and I made this commitment because I wanted to improve the opportunities for myself and my family. I am an organised, conscientious, and reliable hard worker and pride myself on my practical and academic skills. I love learning and am committed to always improving my skills and setting a good example for my children. I am currently looking for the opportunity to work remotely, be part of a great team to use and develop my skills.
